

ABOUT THE COLLEGE

Easwari Engineering College was instituted in the academic year 1996 -1997, with the Approval of Government of Tamil Nadu and AICTE, New Delhi. As per Govt., Regulations for affiliation, originally the college was affiliated to the University of Madras, subsequently, the college is affiliated to Anna University Chennai since 2002. The working environment is such, Students as well as Faculty, are inspired and supported to attain high standards of Education and skill sets and shine in their chosen path. Faculties, with their impressive Academic, Research and Industrial experience, lead the students to achieve 'Excellence' and 'Competence'.

The college offers 11 undergraduate programmes and 6 postgraduate programmes covering Engineering, Technology and Management. The National Board of Accreditation has accredited all programmes up to June 2020 except Automobile Engineering, which was started in 2014 and newly commenced three programmes(Artificial Intelligence & Data Science, Bio-Medical & Robotics). The college has been granted autonomous status by the University Grants Commission in the year 2019-2020.

Many of our students have secured University Ranks including the University First Rank. Our campus placements are very high with over 95% of our students being placed year after year in both IT and core companies.

ABOUT THE DEPARTMENT

The Department of Information Technology offers B.Tech. Degree programme in IT from the year 1999. The department has secured permanent affiliation with Anna University and Accredited by NBA & NAAC. Research work is being carried out in the areas like Wireless Networking, Sensor Networking, Web Mining, Data Mining and Warehousing Ultra and Image Processing. To emerge as a 'Center of Excellence for Higher Studies' and specialization in 'Information Technology' and 'Software Development' and be a strategic partner in the Industrial Advancement arena, by imparting Quality Education towards the holistic development of students, with emphasis on 'Professional Ethics and Values'.

SCOPE OF THE FDTP

This FDTP provides a platform for interaction and to provide a basic foundation and understanding of Computational Intelligence.

The major objectives of this FDTP are

- To understand the fundamental concepts in Computational Intelligence. To enable problem solving through various search techniques.
- To learn how to apply techniques in applications which involve perception, reasoning and learning.
- To understand the application of CI techniques for Information retrieval and machine learning.

Online - SIX DAY FDTP ON
IT8601 – COMPUTATIONAL INTELLIGENCE

17.01.2022 - 22.01.2022

The faculty members can also register through online and Submit your registration form on or before 10.01.2022.

RESOURCE PERSONS

The faculty handling the FDTP includes resource persons from Anna University, Colleges affiliated to Anna University, renowned institutions and Industry experts.

TARGET AUDIENCE

Faculty members interested in teaching Computational Intelligence and employed in AICTE - approved Engineering Colleges affiliated to Anna University.

REGISTRATION

- There is no registration fee for the training programme.
- The registration is restricted to 60 participants only.
- Participants are selected on First Come First Serve basis and will be intimated through E-mail.

CERTIFICATION

Participation Certificate will be issued by the Centre for Faculty Development, Anna University, Chennai on completion of the FDTP successfully.
